A stunning contemporary villa designed for clients seeking modern architecture, generous living spaces, exceptional quality and breathtaking panoramic views of the Mediterranean Sea. Set on a 912 m² plot, the villa offers 466 m² of built space arranged over two floors. The property features four spacious en-suite bedrooms, all designed to enjoy the sea views, together with a bright open-plan living and dining area and a modern fully integrated kitchen. The main living spaces open directly onto the impressive outdoor terrace, where an infinity pool seamlessly merges with the Mediterranean horizon, creating the perfect setting for relaxing and entertaining. The villa is equipped with a range of premium features, including underfloor heating, aerothermal climate control, a private lift, home automation and solar panels, providing year-round comfort, efficiency and convenience. A covered private garage for two vehicles includes pre-installation for an electric vehicle charging point. Every detail has been carefully considered to create an exclusive home combining contemporary design, functionality and Mediterranean living. Situated in a privileged location in Altea, this exceptional property is ideal for those looking for a high-quality, turnkey villa with spectacular sea views and an outstanding lifestyle.
